COLLEGE SADDENED AT LOSS OF FORMER PRESIDENT JOHNSON

The College community was saddened by the news of the death of former President Lyndon Baines Johnson. President Johnson, who visited Gallaudet as both Vice-President and President of the United States, was a strong supporter of educational programs for the deaf.

He was instrumental in arranging Federal funds for the erection of buildings on Kendall Green and recommended that the Mary L. Thornberry Hearing and Speech Center be named for a deaf woman whom he had known as a child.
